Care first

Mercy Palliative Care

Registered Nurse, Division 1 Grade 3B

- 64 hours fortnight

A new and exciting position has been created focussed on coordination of referrals and assessment visits for Mercy Palliative Care's busy community program.

We are seeking an enthusiastic, highly motivated Division 1 Registered Nurse to implement this position in collaboration with a multi-disciplinary team with the aim of improving management of the referrals across the 7 local government areas of the Western Region of Metropolitan Melbourne

Mercy Health is an award winning Employer of Choice for Women, offering comprehensive orientation, support, ongoing education and professional development. Mercy staff also enjoy a flexible and family friendly workplace.

The successful applicants will be experienced in palliative care, have a commitment to the philosophy and practice of palliative care and community care, excellent communication skills as well as the ability to work in a team environment and independently, as required. You will also periodically rotate into the position of Intake Coordinator.

To be successful, candidates must meet the position requirements as well as provide a current Police Record check and Working with Children Check.
